FIRST CHAMPIONSHIP GAMES ON SATURDAY

Yellow Jackets to Play William and Mary at Williamsburg; Richmond Will Meet Hampden-Sydney.

SQUAD WORKING EVERY DAY

Coach Reiss Keeping Gridiron Battlers Busy—Randolph-Macon Tennis Experts Win Tourney From Spider Racket Stars.

ASHLAND, VA., October 14.—The Yellow Jackets are fast rounding into shape for the first championship game with William and Mary on Saturday. This contest will be staged in Williamsburg, while at the same time Richmond College will be mixing things with Hampden-Sydney on the latter's gridiron. Two games are to be played between each of the four colleges in the Eastern Virginia Intercollegiate Association, and the team winning the largest per cent of the games receives a silver cup. Saturday will see the first games staged, while the last one, between Randolph-Macon and Richmond College, falls on the Saturday after Thanksgiving.

Coach Reiss is giving the squad a scrimmage every afternoon this week, except Friday, when a long signal drill will be held. Yesterday the scrimmage was not started until nearly dark, and lasted only about ten minutes. To-day, however, very little preliminary work was done, and the scrimmage lasted fully an hour.

The first team had little trouble in scoring on the scrubs, and the new players given the field were all worked, and good gains were made on the forward pass.

R. Scott is in the end, and will be in the line-up Saturday. Coach Reiss tried Lee on the other end for a short time, and had the backfield lined up as follows: Cogbill and Lancaster; quarters; Sheffey and Hall, halves, and Fullback.

The line is playing steady, and will likely be heard from in the coming games. Bush, R. Scott and Jones are showing up best.

Randolph-Macon defeated Richmond College in the fall tennis tournament here to-day by winning the doubles and one series in the singles.

E. R. Lapsley and R. Gish defeated E. R. Lapsley and R. Gish in the doubles—6-1, 6-0, 2-6, 6-3.

E. R. Lapsley defeated Chesterman in straight sets, 6-2, 6-4, 4-6, 6-3.

Yellow Jackets' tennis players have now won one tournament and lost one, having been defeated by Currier and Taylor, of the Union Theological Seminary.

RICHMOND ACADEMY IS DEFEATED BY MARSHALL

Public School Boys Start Badly, but Finish Strong—Turner, Stringer and Roden the Stars.

The Marshall High School eleven defeated Richmond Academy at Broad Street Park yesterday afternoon, 33 to 6, in one of the best games staged here in a long time.

The game started with a thriller from start to finish, the preparatory lads furnishing a quality of play that has been rare in this city.

CRIMSON SQUAD "ARMED" WHEN PRACTICE ENDS

Teams A and B of Squad A Line Up Against Each Other—Second String Men Follow.

YALE SUBSTITUTE INJURED

Atwood Violet, Jr., Will Not Play Again This Season—Penn's Jinx Gets in Another Blow—Tiger Varsity Scores Against Cubs.

CAMBRIDGE, MASS., October 14.—The Crimson players were given one of the most strenuous work-outs of the season this afternoon, and it was only after they were completely exhausted that they were sent to the locker building.

After the preliminary practice of punting, drop-kicking, forward passing and tackling, teams A and B of Squad A were lined up against each other, and with the first string backfield playing behind the second string line and the substitute line field behind the regular line scrimmaged for fifteen minutes without any let up.

The regular backfield scored a field goal from the twenty-five-yard line by Mackinlock.

The scrimmage was hard. Then the first string line was taken out and the remaining substitutes put in.

K. B. Parson '16, the crew man who reported for football last Monday, was playing at guard and attracted the attention of the coaches by his speed in getting down under punts. Three times he tackled the catcher right in his tracks.

Parson is a big man, weighing close to 190, and is exceptionally fast for a man of his size. He has played football at Hope Street High School, Providence, but has never played college football because of a troublesome knee.

This old injury has practically disappeared, and the coaches look upon him as the man to bolster up the left side of the Harvard line, which is admittedly weak.

NEW HAVEN, CONN., October 14.—Atwood Violet, Jr., of New York, one of the best substitutes on the Yale varsity, was injured during practice this afternoon and may not be able to play again this season.

Violet, who is a sophomore, collided with Carroll Knowles, Yale's big half back, and was knocked out completely. He recovered later in the afternoon, but has been advised to abandon football for some time to come.

Practice and game active preparation for Notre Dame game next Saturday. The varsity was put through a stiff fifteen-minute halfback drill.

The line-up was changed frequently in order that the substitutes might be tried out in the new formation and plays.

The work of the first team was very satisfactory. It scored four times while holding the scrubs pointless.

Ainsworth and Knowles were in the line-up for the first time this week.

Field is the latest addition to the coaching board.

ITHACA, N. Y., October 14.—The Cornell varsity and scrub eleven were "interned" to-day in the baseball cage, where Coach Sharpe put them through a series of hitting and fielding drills.

After dark, electric lights have been installed so that the periods of practice can be extended.

Sharpe announces that practice during the next few days will be held in the cage, and will be secret.

The make-up of the Cornell backfield for the Bucknell game is still unsettled. Kleinert, by virtue of his superior hitting, has been named to hold the full back position. Hill and Philippi are still nursing injuries, and are unable to play.

The coaches are concentrating their attention on an effort to work up a defense for the Cornell game.

Which distinguishes Bucknell's play this year.

PHILADELPHIA, PA., October 14.—The "Jinx" which has been trailing the University of Pennsylvania eleven since the beginning of the season, is back in another telling blow to-day.

Baylor, favorite for the quarter position, was knocked out of the game by a foul play, and the coaches are wary about holding injuries.

Beuhring has starred in practice this week, and has practically clinched full back position. Baylor, variety center for two years, has been switched to right guard, while Pierotti is holding sway at center.

A mass-meeting to-morrow night of the student body will be held to evidence its hope for a triumph.

Washington and Lee eleven will have to score a victory in the game in Richmond with Georgetown next Saturday than Hurry Up Yost's.

Beuhring's record in the game is to keep ahead of the Wolverines in points tallied.

Of the South, East, North and West, printed last Monday, show that Washington and Lee has scored more points than any team in the country, with a record of 196.

Michigan, coached by Washington and Lee, by a former tackle, and Jefferson, tutored by Bob Polwell, another tackle, third, with George Saylor, a fullback, fourth.

Washington and Lee, only three other big eleven have prevented a rout from Georgetown. The latter has tallied 44 points to her adversaries; John State's record is 48 to 0, and West Point's, 62 to 0.

Has Practically Clinched Full Back Position—W. & L. Must Score Heavy in Order to Keep Ahead of Yost's Wolverines.

LEXINGTON, VA., October 14.—Despite inclement weather conditions Coach Elcock drove Washington and Lee through a long, sharp signal drill to-day. A number of plays selected to batter Georgetown's line, were given to varsity. The practice was held behind closed doors.

Elcock has spent the greater part of the week in an attempt to bolster up the power of the line-men on the defense. The general's leader is undecided as to whether he will have a final scrimmage before the battle with Georgetown to-morrow afternoon.

Washington and Lee will husband its greatest strength against Georgetown for the first time this season, and the coaches are wary about holding injuries.

TRINITY JUNIOR CLASS WINS TEN-MILE RELAY

Also Captures Silver Loving Cup Freshies Finish Second, Seniors Third and Sophs Last.

WESTBROOK'S SPRINT FEATURE

Remarkable Run by Goforth in Final Lap Keeps Upper Classmen From Finishing in Cellar—Messages to President Few.

TRINITY COLLEGE, N. C., October 14.—In the fifth annual ten-mile relay race, the junior class captured the silver loving cup given by the Snyder, Wilcox, Fletcher Company, the freshman class won second place, the sophomores followed a close third, and the seniors brought up the rear. While the race was close from the start, the sophomores were the first to finish, and a number of brilliant runs were made, yet the time made by the winning juniors—56 minutes and 25 seconds—did not equal the 55:27 record made by the winning senior class last year.

The junior runners lead the race from the beginning, and finished with a lead of a hundred yards. The sophomores began the race in good style, maintained second place for the first three miles, dropped to third in the fourth mile, went back to second place in the fifth with a beautiful sprint by Cunningham, made noticeable gains on the sophomores in sixth and seventh miles, but were overtaken by the seniors, who gradually dropped to the rear in the last three miles.

The work of the freshmen was steady and at times brilliant. The sprint by Westbrook in the ninth was one of the features, and gave the freshmen second place. The seniors were in the rear, with the exception of the first and last mile. Perhaps the prettiest part of the race was the struggle between the senior and the sophomore runners in the fourth mile, a handicap at five and six miles.

By a remarkable run, Goforth, of the senior class, shot ahead in the bottom of the tenth mile, kept his lead, and won the race.

The ending of the miles in the order of the runners follows: Palmer, sophomore; Ivey, senior; Merritt, freshman.

Second mile—Coman, junior; Smith, sophomore; Saunders, freshman; Anderson, senior.

Third mile—Taylor, junior; Martin, sophomore; Rose, freshman; Brown, senior.

Fourth mile—Lilly, junior; Rich, senior; Gardner, sophomore; North, senior.

Fifth mile—Griggs, junior; Cunningham, sophomore; Foote, freshman; Hawfield, senior.

Sixth mile—Matton, junior; Ruff, sophomore; Barham, sophomore; Carr, senior.

Seventh mile—Hole, junior; Scott, sophomore; Lewis, freshman; Farrar, senior.

Eighth mile—Woodward, junior; Parker, sophomore; Small (captain), freshman; Bennett, senior.

Ninth mile—Osborne (captain), junior; Westbrook, freshman; Hartley, sophomore; Barham, sophomore.

Tenth mile—Newton, junior; Garris, freshman; Goforth (captain), senior; Brainerd, sophomore.

The runner of each class in the tenth mile, at the close of the course, delivered a message signed by the president of his class to President C. F. Few, who announced it to the crowd of spectators.

The senior message was: "Twas ours to do our best. The issue rested with the Gods."

The sophomore message very fittingly read: "We have run a good race. The sophomore message was: Trinity and seventeen forever."

The freshman message was: "Twas ours to do our best. The issue rested with the Gods."

WAKE FOREST ELEVEN ENGAGE IN SCRIMMAGE

Coach Smith Puts Squad Through Hard Workout, Which is First Since Saturday's Game.

HAVE NO CONTEST THIS WEEK

One Likely to Be Arranged, However Next Battle on Schedule is With Washington and Lee at Lexington, Va., on October 24.

WAKE FOREST, N. C., October 14.—Coach Smith had the men engage in the first scrimmage since the game last Saturday this afternoon. The varsity, with Billings at quarter, Lee at full and Trust and Beam at the halves, succeeded in making five touchdowns. Holding, who put up a great game last Saturday against the training ship Franklin, and Powell, were on the field, and the line was not entirely well, but he will be in shape for the first time. The line was not entirely well, but he will be in shape for the first time.

Moore and Blackman at right and left tackles seem to have their places fixed for the rest of the season. Both men showed up strong defensive games Saturday, and the sailors were unable to penetrate the line at any stage of the game. Oliver at left guard, seems to be a fixture for the season. He put up a good defensive game and is a good offensive player. He put up a good game, but he is much stronger on the offense than the defense.

Stallings, who has been suffering from a dislocated elbow for three weeks, is back again and is giving Dickson, a last year's second string man, a hard fight for right guard. Both men are always in game with plenty of pep, and each one is sure to get in all of the touchdowns.

Pace, a freshman from Riverside, Ga., is playing great at half on the scrubs. He is one of the best tackles on the field, and his line hard and his hole like a veteran. He is likely to be heard from before the season is over. He is rather light, however.

Watkins played a good game at end Saturday the time he was in, but he is not in the game. He is not in the game, and will play quarter when Billings is not in the game.

All of the men came out of Saturday's game unhurt.

No game is scheduled for Saturday, but there is a probability of one being arranged.

The next scheduled game, October 24, is at Lexington against the Washington and Lee eleven. This game, no doubt, be the hardest one on the schedule for the Baptist eleven.

RITCHIE AND DUNDEE TO BOX FOUR-ROUND BOUT

TOO MUCH RAGTIME

Bishop Wants No Irreverent Tunes for Old-Time Hymns.

DETROIT, MICH., October 14.—Setting the old-time hymns to tunes that savor of the modern music hall, or of "Yankee Doodle," was deplored by Bishop Edward W. Osborne, of Springfield, Ill., at a meeting here to-day of the Synod of the Fifth Province of the Protestant Episcopal Church in the United States.

Bishop Osborne's remarks were made during a debate on the subject of hymns, and the report of a committee appointed to prepare the publication of an expensive selection of Sunday school hymns.

"I want to be assured that none of these hymns will have irreverent tunes," said Bishop Osborne. "I notice that 'Jerusalem the Golden' is among the hymns listed. I have heard that hymn sung to a tune that is most irreverent, that sounded like 'Yankee Doodle.' The latter is all right in its place, but its place is not in the church of God."

DAUGHTERS PLEDGE THEMSELVES TO COTTON

[Special to The Times-Dispatch.] RALEIGH, N. C., October 14.—The North Carolina Division, Daughters of the Confederacy, to-day adopted resolutions pledging the daughters to emulate the example of the mothers of 1861 in doing all in their power to aid the South by wearing and using cotton in every way possible.

Reports showed three new chapters, 4,926 members and 417 applications pending.

Glowing tribute was paid to Colonel Ashley Horne, donor of the monument to North Carolina women of the Confederacy.
